Key achievements to date:	Areas to further develop and focus on:
<ul style="list-style-type: none"> <li>• PE coordinator monitors pupils who have taken part in external (usually competitive) sporting events – last year 95% of our pupils took part in at least one</li> <li>• Three pupils represented West Norwich and Dereham at the County cross-country finals</li> <li>• PE coordinator has facilitated opportunities for staff to access relevant CPD over the last two years, both in and out of school, most recently focussed on planning and delivering OAA sessions</li> <li>• Sports days and clockwork sports morning highly successful, engaging and inspiring pupils and parents</li> <li>• WNDSSP has been a very effective resource in developing competitive sporting opportunities for our pupils and supporting the CPD of staff so we will continue with our membership</li> <li>• A Teaching Assistant with a PE specialism has created a system where the school can take part in the Daily/Golden Mile</li> </ul>	<ul style="list-style-type: none"> <li>• Expand the range of equipment available at break and lunch times so the pupils can develop their sporting interests</li> <li>• Train older (upper KS2) pupils in being ‘buddies’ so they can support and appropriately facilitate the games, sports and activities that younger children want to take part in across the school day</li> <li>• PE coordinator to continue to monitor the CPD needs of the staff and ensure we access all appropriate training</li> <li>• Sports cafes - PE coordinator to work with external staff experienced at delivering these sessions to explore the possibility of them starting at Swanton Morley</li> </ul>

<b>Meeting national curriculum requirements for swimming and water safety</b> <i>(as of September 2019, this will be reviewed and updated as the year progresses)</i>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	80%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	80%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	80%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

**The desired 5 key outcomes from this funding are:**

- 1 – The engagement of all pupils in physical activity
- 2 – The profile of PE and sport being raised across the school
- 3 – Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 – Broader experience of a range of sports and activities offered to all pupils
- 5 – Increased participation in competitive sport

<p>We will continue with our membership with the West Norfolk and Dereham School Sports Partnership (WNDSSP)</p>	<p>Our annual membership to the Sport Partnership ensures we have access to a large range of competitive events and makes sure pupils are able to access high quality sporting environments on a regular basis.</p> <p>The partnership provides competitive events for all of the year groups and gives our sports teams competitions to practice for and work towards.</p> <p>The partnership also provides CPD opportunities that we utilise. Their members deliver training to our staff on a regular basis including specific, targeted support areas that have been identified in conjunction with our PE coordinator.</p> <p>The partnership also supports our PE subject leader in analysing our current PE provision and focussing on areas for development within the school.</p>	<p>1,2,3,4,5</p>	<p>£2,650</p>	<p>Last year our pupils took part in a range of competitive events, including swimming galas, cross-country, netball and football.</p> <p>We will continue to be involved in these competitive events this year, and we will continue to access all available CPD opportunities to further develop the confidence and capability of our teachers and Teaching Assistant's at delivering high quality PE teaching.</p>

<p>To continue to develop a Teaching Assistant with a PE specialism to support the work of the PE coordinator, champion PE across the school and to offer a range of sporting clubs</p>	<p>Ensure the identified Teaching Assistant has access to a range of CPD opportunities and preparation time in to order to effectively fulfil the additional responsibilities.</p> <p>A range of sporting clubs to be offered to pupils from both key stages each week, often acting as training time in preparation for competitive sporting events that the school will take part in.</p> <p>The Teaching Assistant with the PE specialism will work alongside class teachers and other Teaching Assistants to share good practice in delivering PE lessons and to develop the range of sports being taught.</p>	<p>2,3,4,5</p>	<p>£9,470</p>	<p>Our TA with a PE specialism has set up (either running or monitoring) a range of weekly clubs – Daily Mile, cross country and Zumba.</p>	
<p>Sports equipment to continue to be refreshed and maintained as required, including break and lunch time equipment</p>	<p>The school PE coordinator and Teaching Assistant with a PE specialism will continue to work together (as well as liaising with class teacher) to ensure all the equipment that the school has is maintained to a good standard and that stocks are refreshed as required to ensure all the sport teaching we deliver is appropriately resourced and that appropriate resources are available at break and lunch times</p>	<p>1,4,5</p>	<p>£1,000</p>	<p>All sports teaching that we deliver to have the appropriate resources available for class teachers and instructors to use</p>	
<p>We will continue to use a proportion of the premium we receive to support the on-going costs of the swimming pool</p> <p>The funding will go towards some of the associated staffing costs of operating the pool and the costs of the upkeep and maintenance of the pool*</p>	<p>Ensure our swimming instructor effectively supports a Teaching Assistant in the school who has a swimming qualification and who is keen to develop her expertise in this area.</p> <p>Pupils’ swimming activity will continue to be well over and above the National Curriculum requirements. Pupils from both key stages will receive the equivalent of a swimming session every other school week in the school pool and will</p>	<p>1,2,3,4,5</p>	<p>£10,843</p>	<p>All classes have three half termly blocks of swimming per year and will continue to access swimming lessons significantly above and beyond the expectations in the National Curriculum.</p>

*\* We know that we need to be working towards ensuring the running of the swimming pool becomes increasingly financially self-sufficient. We recognise the need for the costs of the running of the pool to be balanced by the income we generate from it (and that relying on the sport premium to support it is not a long term, sustainable option.) This is the position we are working towards, but in the interim period we will support a proportion of the costs of the pool through the funding we receive through the premium. This will allow us the time to establish systems that help ensure the pool is financially viable in the longer term and can continue to be an asset to the school that supports local schools and community groups.*
