

Swanton Morley VC Primary School

**Primary PE and Sport Premium Funding - Swanton Morley VC Primary School**

Academic year: 2020/2021

Total fund allocated for this academic year: £17,680

Key achievements to date:	Areas to further develop and focus on:
<ul style="list-style-type: none"> <li>• PE coordinator monitors pupils who have taken part in external (usually competitive) sporting events – last year over 85% of our pupils took part in at least one externally run competition</li> <li>• Three pupils represented West Norwich and Dereham at the County cross-country finals and our Y4 girls' football team reached the County finals</li> <li>• PE coordinator has facilitated opportunities for staff to access relevant CPD over the last two years, both in and out of school, most recently focussed on planning and delivering OAA sessions</li> <li>• WNDSSP has been a very effective resource in developing competitive sporting opportunities for our pupils and supporting the CPD of staff</li> <li>• A Teaching Assistant with a PE specialism has created a system where the school can take part in the Daily/Golden Mile</li> <li>• School football team established, they train weekly and play fixtures against other local teams</li> <li>• In conjunction with the School Council and with the support of FOSM, the range of sporting equipment at break and lunch time has been significantly increased</li> </ul>	<ul style="list-style-type: none"> <li>• Continue to develop the range of equipment available at break and lunch times so the pupils can develop their sporting interests, based on feedback from the School Council</li> <li>• Continue to train pupils in being 'buddies' so they can support and appropriately facilitate the games, sports and activities that other children want to take part in across the school day so that this embedded in school life (as soon as this is practicably possible due to C-19 restrictions)</li> <li>• PE coordinator to continue to monitor the CPD needs of the staff and ensure we access all appropriate training</li> </ul>

<b>Meeting national curriculum requirements for swimming and water safety</b> <i>(as of September 2020, this will be reviewed in February 2021)</i>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	78%
What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?	78%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	87%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

**The desired 5 key outcomes from this funding are:**

- 1 – The engagement of all pupils in regular physical activity
- 2 – The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3 – Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 – Broader experience of a range of sports and activities offered to all pupils
- 5 – Increased participation in competitive sport

Intent	Implementation	Key outcome indicator	Funding allocation	Evidence and impact (to be regularly added to throughout the academic year)	Sustainability and suggested next steps (July 2021)
<p>We plan to continue with our membership with the West Norfolk and Dereham School Sports Partnership (WNDSSP)</p>	<p>Our annual membership to the Sport Partnership ensures we have access to a large range of competitive events and makes sure pupils are able to access high quality sporting environments on a regular basis (although this will be initially restricted by current C-19 guidelines).</p> <p>The partnership provides competitive events that we will consistently access for all of the year groups and gives our sports teams competitions to practice for and work towards (although this will be initially restricted by current C-19 guidelines).</p> <p>The partnership also provides CPD opportunities that we utilise and effectively engage with. Their members deliver training to our staff on a regular basis including specific, targeted support areas that have been identified in conjunction with our PE coordinator.</p> <p>The partnership supports our PE subject leader in analysing our current PE provision and focussing on areas for development within the school.</p>	<p>1,2,3,4,5</p>	<p>£2,850</p>	<p>Last year our pupils took part in a range of competitive events, including swimming galas, cross-country, netball and football.</p> <p>We will continue to be involved in these competitive events this year (where possible due to C-19 restrictions) and we will continue to access all available CPD opportunities to further develop the confidence and capability of our teachers and Teaching Assistant's at delivering high quality PE teaching.</p>	

Swanton Morley VC Primary School

<p>To continue to develop a Teaching Assistant with a PE specialism to support the work of the PE coordinator, champion PE across the school and to offer a range of sporting clubs</p>	<p>Ensure the identified Teaching Assistant has access to a range of CPD opportunities and preparation time in to order to effectively fulfil the additional responsibilities.</p> <p>A range of sporting clubs to be offered to pupils from both key stages each week, often acting as training time in preparation for competitive sporting events that the school will take part in.</p> <p>The Teaching Assistant with the PE specialism will work alongside class teachers and other Teaching Assistants to share good practice in delivering PE lessons and to develop the range of sports being taught.</p> <p>As soon as C-19 guidelines allow it, we will focus on re-establishing the 'buddies' model, ensuring these pupil role models are effectively trained in outdoor games to engage younger pupils in fun physical activity.</p>	<p>2,3,4,5</p>	<p>£5,030</p>	<p>Our TA with a PE specialism has set up (either running or monitoring) a range of weekly clubs – Daily Mile, cross country and Zumba. Further developments will be detailed in July 2021.</p>	
<p>Sports equipment to continue to be refreshed and maintained as required, including break and lunch time equipment</p>	<p>The school PE coordinator and Teaching Assistant with a PE specialism to continue to work together (as well as liaising with class teachers) to ensure all the equipment that the school has is maintained to a good standard and that stocks are refreshed as required to ensure all the sport teaching we deliver is appropriately resourced and that appropriate resources are available at break and lunch times</p>	<p>1,4,5</p>	<p>£1,800</p>	<p>All sports teaching that we deliver to have the appropriate resources available for class teachers and instructors to use – review July 2021.</p>	
<p>We will continue to use a proportion of the premium we receive to support the on-going costs of the swimming pool</p>	<p>Ensure our swimming instructor effectively supports the teaching of swimming for our pupils, as well those from a number of other schools.</p> <p>Pupils' swimming activity to be well over and above the National Curriculum requirements. Pupils from</p>	<p>1,2,3,4,5</p>	<p>£8,000</p>	<p>All classes have three half termly blocks of swimming per year and will continue to access swimming lessons significantly above and</p>	

**Swanton Morley VC Primary School**

<p>The funding will go towards some of the associated staffing costs of operating the pool and the costs of the upkeep and maintenance of the pool*</p>	<p>both key stages will receive the equivalent of a swimming session every other school week in the school pool and will continue to swim even once they achieve the required distances.</p> <p>Swimming sessions will continue to prepare pupils for competitive events and galas (both internally and externally) that give them an opportunity to demonstrate the level of expertise they have achieved due to the level of practice they receive at school.</p> <p>The school pool is a vital community resource and is used by over 300 children per week. Two swimming clubs and eight other schools use the pool, so we are working as hard as we can to keep the pool open for the benefit of our community and partners. This is a model we will work to maintain over the next academic year.</p>			<p>beyond the expectations in the National Curriculum.</p>	
---	---	--	--	--	--

*\* We know that we need to be working towards ensuring the running of the swimming pool becomes increasingly financially self-sufficient. We recognise the need for the costs of the running of the pool to be balanced by the income we generate from it (and that relying on the sport premium to support it is not a long term, sustainable option.) This is the position we are working towards, but in the interim period we will support a proportion of the costs of the pool through the funding we receive through the premium. This will allow us the time to establish systems that help ensure the pool is financially viable in the longer term and can continue to be an asset to the school that supports local schools and community groups. The amount we have committed this year from the Sports Premium is almost £3,000 less than it was last year, so we are being successful in working towards this long term aim.*

Total budgeted spend: £17,680
