

Swanton Morley VC Primary School

## Primary PE and Sport Premium Funding Plan - Swanton Morley VC Primary School

Academic year: **2023/2024**

Total fund allocated for this academic year: **£17,520**

### Key Objectives 2023/24:

- **Consolidate the 'real PE' scheme** to facilitate more effective teaching, coverage and progression of the skills-based PE curriculum. This will include ensuring that enough curriculum time continues to be allocated to PE in each Year group and that the hall is used every afternoon.
- PE coordinator **to ensure we deliver all appropriate training/support in relation to 'real PE'** and monitor the CPD needs of the staff, especially in light of new staff starting in January 2024.
- The school will need **to continue to refocus on providing clubs** (before, during and after school) **and engaging in external sporting events**, primarily through utilising our WNDSSP membership. PE coordinator to continue to monitor number/type of pupils who have taken part in these clubs & events
- **To continue to improve and update the resources available in PE** lessons in order to provide children with the necessary tools to achieve the best possible outcomes across the PE curriculum. Some of these resources will also be made available at break & lunchtimes to encourage more sporting activities and practice of skills.
- **To continue to maximise the use of our swimming pool** so that children get the opportunity to swim as much as possible and continue to do this even after they have achieved their required distances.

**The desired 5 key outcomes from this funding are:**

- 1 – The engagement of all pupils in regular physical activity
- 2 – The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3 – Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 – Broader experience of a range of sports and activities offered to all pupils
- 5 – Increased participation in competitive sport

Action	Rational & Intended Impact	Key outcome indicator	Funding allocation	Evaluation (Rag Rated - July 2023)
We plan to continue with our membership of the West Norfolk and Dereham School Sports Partnership (WNDSSP)	<p>Our annual membership to the Sports Partnership ensures we have access to a large range of competitive events and makes sure pupils can access high quality sporting environments on a regular basis.</p> <p>The partnership provides competitive events that we will consistently access for all the year groups and gives our sports teams competitions to practice for and work towards. In previous years our pupils have taken part in a range of events, including swimming galas, cross-country, netball and football.</p>	1,2,3,4,5	<b>£2,850</b>	2023/24 Notes:

Swanton Morley VC Primary School

	<p>The partnership also provides CPD opportunities that we utilise and effectively engage with. Their members can deliver training to our staff including specific, targeted support areas that have been identified in conjunction with our PE coordinator eg 'real PE'. The intention is that this will further develop the confidence and capability of class teachers in delivering high quality PE lessons.</p>			
<p>Purchase of further 'real PE' and subsequent sports equipment necessary to implement this, including break and lunch time equipment</p>	<p>PE coordinator consulting with class teachers to ensure all staff continue to take ownership of the school's new real PE sports equipment. In this way good standards are maintained, and stocks will be refreshed accordingly.</p> <p>This will also help to ensure that all the sport teaching we deliver in light of real PE, is appropriately resourced and that suitable resources are available at break and lunch times.</p>	1,4,5	<b>£3596</b>	2023/24 Notes:
<p>To continue to develop a HLTA with a PE specialism to support the work of the PE coordinator, champion PE across the school and</p>	<p>Ensure the identified HLTA has access to a range of CPD opportunities and preparation time in to order to effectively fulfil the additional responsibilities.</p>	2,3,4,5	<b>£4487</b>	2023/24 Notes:

Swanton Morley VC Primary School

to offer a range of sporting clubs	<p>A range of sporting clubs to be offered to pupils from both key stages each week, often acting as training time in preparation for competitive sporting events that the school will take part in.</p> <p>The HLTA with the PE specialism will work alongside class teachers and other Teaching Assistants to share good practice in delivering PE lessons and to develop the range of sports being taught. When the PE lead goes on maternity leave (January 2024) the HLTA will assume more responsibility for the leadership of PE.</p> <p>We will focus on re-establishing the 'buddies' model, ensuring these pupil role models are effectively trained in outdoor games to engage younger pupils in fun physical activity.</p>			
We will continue to use a proportion of our sports premium to staff the running of the pool, reflecting the extra sessions/opportunities for children at our school.	<p>Ensure our swimming instructor effectively supports the teaching of swimming for our pupils.</p> <p>As a result, the pupils' swimming activity is well over and above the National Curriculum requirements. Pupils from both key stages will receive the equivalent of a swimming session every other school week in the school pool (three half termly blocks</p>	1,2,3,4,5	<b>£6,327</b>	2023/24 Notes:

	<p>of swimming per year) and will continue to swim even once they achieve the required distances.</p> <p>Swimming sessions, including before school, will continue to prepare pupils for competitive events and galas (both internally and externally) that give them an opportunity to demonstrate the level of expertise they have achieved due to the level of extra practice they receive at school.</p>
